4.2 Minimum royalties

(Also showing previous year's details in brackets)

4.2.1	For a licence continuing from year to year the minimum royalty under this tariff is	£64.50 (£58.00)

6. Inflation adjustment

Every year on 1st April the monetary sums in section 4.2 will be adjusted for inflation. The adjustment formula will apply to the standard rates, using the mean (to the nearest whole percentage point) of the percentages by which the Retail Prices Index and Average Weekly Earnings index (unadjusted) change in the year to the previous November.

November is the latest month prior to the anniversary date for which figures are likely to be published for both indices.

After application of the inflation adjustment each royalty rate in section 4.2 will be rounded to the nearest fifty pence.

All royalties will be charged at the royalty rate in force at the beginning of the licence-year.
