

# Not-for-profit amateur sports clubs

Developed by *PRRS for Music* with the Sport and Recreation Alliance acting as the sector consultee. (Includes rates introduced on 1<sup>st</sup> January 2019 following adjustment in accordance with section 3.)

Effective 1st January 2025

## Applies to: performance of copyright music\* at premises owned/run by not-for-profit amateur sports clubs during the usual activities of the club.

The provision of facilities for, and participation in, eligible sport(s) must be the core main purpose of the club. The clubs must be organised on an amateur basis and all surplus funds must be reinvested in the club.

In establishing the qualification of a club *PRRS for Music* will refer to the criteria as indicated in s.658 (1A) (b) and (c) Corporation Tax Act 2010 as those provisions were on 7 October 2013 and ignoring any amendments to those provisions which were made or brought into force after 7 October 2013, whether such amendments had prospective or retrospective effect.

The following are excluded from the tariff and charged using the appropriate *PRRS for Music* tariff:

- performances at profit-making sports clubs.
- featured music\* at events, or in facilities, run by a party other than the club OR where any profit or benefit does not go entirely to the club. This includes events chargeable under the scope of other *PRRS for Music* tariffs including concerts, festivals, theatrical performances and dance parties. This exclusion does not extend to aerobic, keep fit and dancing classes for which appropriate charges are provided within this tariff.
- facilities such as gyms or leisure centres, in dedicated areas or buildings, open to individuals not associated with the club and/or operated commercially;
- any other commercial uses that could not reasonably be considered part of the club's activities.
- performances at any other premises.

## 1. Royalty rates

The rates apply to all royalties falling due from the effective date of this tariff and are shown **exclusive of VAT**. VAT is applicable at the relevant rate.

The **higher royalty rate** (standard plus 50%) is payable for the first year of the licence where the music user **has not** obtained *PRRS for Music's* licence before musical performances commence.

After application of the royalty rates will be rounded to the nearest penny.

#### 4. DEFINITIONS

- **background music** means music the performance of which is:
  - o secondary to the provision of the ordinary benefits of the club; and
  - o is not featured music.
- **capacity** shall be calculated as follows: where the accommodation of a room is limited to seating, the capacity will be calculated by reference to the total number of seats; but where, as in the case of discotheque performances, there is no formal means of calculating the accommodation of a room, that capacity will be assessed by reference to the maximum number of persons which can reasonably

- **PRS for Music** is the trading name of the Performing Right Society Limited.
