### Scottish and Highland Country Dancing Tariff

THIS TARIFF IS EFFECTIVE FROM 01-MAR-26 TO 28-FEB-27

NOTES:

For the public use of sound recordings at Scottish and Highland country dancing sessions.

Individual leaders & instructors organising a number of Scottish/Highland dances at different venues are also to be charged under this tariff.

The fees on the tariff depends on your annual attendance figure. You will need to provide three figures for this tariff so that we can calculate your fee. So you should enter the number of classes you teach each week, the number of weeks per year in which you teach, and finally the average attendance per class. To see how the calculation works you should multiply the three figures and refer to the table of charges.

You should provide the date you started playing recorded music to enable us to calculate the start period for your licence.
