PPL Not-for-profit amateur sports clubs

THIS TARIFF IS EFFECTIVE FROM 01-JAN-27 TO 31-DEC-27

NOTES:
This tariff applies to the public performance of PPL's repertoire at premises owned and/or run by not-for-profit amateur sports clubs during the usual activities of the club. The provision of facilities for and participation in eligible sport(s), (as designated under the enclosed schedule) must be the principal purpose of the club and the club must be organised on an amateur basis and all surplus funds reinvested in the club. In order to assess the eligibility of a club, PPL will refer to the criteria as indicated in s.658 (1A) (b) and (c) of the Corporation Act 2010 as those provisions were on 7 October 2013 and ignoring any amendments to those provisions which were made or brought into force after 7 October 2013, whether such amendments had prospective or retrospective effect.

The following are excluded from the tariff and should be charged using the appropriate PPL tariff(s):

- Profit-making sports clubs.
- Specially Featured Entertainment at events, or in facilities, run by a party other than the club OR where any profit does not go entirely to the club.
- Exercise/ fitness and dancing classes.
- Facilities such as gyms or leisure centres, in dedicated areas or buildings, open to individuals not associated with the club and/ or operated commercially.
- Any other commercial uses that could not reasonably be considered part of the club's activities;

DEFINITIONS
Capacity shall be calculated as follows: where the accommodation of a room is limited to seating, the capacity will be calculated by reference to the total number of seats; but where, as in the case of discotheque performances, there is no formal means of calculating the accommodation of a room, that capacity will be assessed by reference to the maximum number of persons which can reasonably be accommodated in the room or which is permitted under any regulation by Fire Authorities or under the Club's Rules.

Members are calculated as the total number of registered adult and junior members (whether playing/non-playing members) of all not-for-profit amateur sports clubs run at the premises. For the avoidance of doubt, family memberships should include the total number of members considered within the family membership.

Social area means an area which is used for people to congregate and socialise, with or without a bar and whether or not licensed to sell alcohol.

Specially Featured Entertainment (for example discos, dances and DJ presentations). You may elect at the start of any licensing year for any Specially Featured Entertainment to be charged on an unlimited basis or per event. Once made this selection cannot be altered during the current licensing year.

If you have been publicly performing sound recordings without first obtaining or renewing your licence, the fees below will be subject to a 50% surcharge. This is designed to act as a deterrent to unlicensed public performances of sound recordings, and to compensate PPL for the considerable administrative effort expended in detecting and taking action in respect of these infringements of copyright.
